

# 5th GAVePed Conference

## Venous access in neonates and children

**Palacongressi, Rimini**  
**May 15th-16th, 2023**

***A scientific event organized by GAVeCeLT - The Italian Group of Venous Access Devices -  
and by GAVePed - The Italian Group of Pediatric Venous Access***

**Scientific Coordination:** Mauro Pittiruti  
**Scientific Committee:** Giovanni Barone, Alessandro Crocoli, Vito D'Andrea, Clelia Zanaboni  
**Organizing Committee:** Millennium Events s.r.l. - [info@millenniumevents.it](mailto:info@millenniumevents.it)

The 5th GAVePed Conference will take place at the Congress Center 'Palacongressi' - Rimini (Italy) and the official languages will be English and Italian. The event will include scientific sessions, panel discussions, lectures, posters, pre-conference educational courses, satellite symposia, and hands-on workshops.

The Conference will also include special sessions of oral/poster presentations of clinical and scientific contributions in the field of venous access in neonates and children. If you are interested in presenting your own clinical experience or the results of your scientific work, please send an abstract to Mauro Pittiruti (e-mail [mauopittiruti@me.com](mailto:mauopittiruti@me.com)) before April 15th, 2023.

The authors of the abstracts accepted for oral or poster presentation will have free registration to the event.

Further details about the scientific program will soon be available on the website of GAVeCeLT - [www.gavecelt.info](http://www.gavecelt.info) ; for further information on the event, please contact GAVeCeLT at the e-mail address [mauopittiruti@me.com](mailto:mauopittiruti@me.com).

Details about the registration fee and about the modality of registration will soon be available on the website [gaveceltconnection.it](http://gaveceltconnection.it) and on the GAVeCeLT/GAVePed website, [www.gavecelt.it](http://www.gavecelt.it) .
